Eye am bought back by God from slavery to fear, slavery to addiction, and slavery to poverty. You see, when eye was born I was born to be a king, royalty. In the mind of God, this was who eye was and this is who eye am. Eye was in the mind of God excellence, until eye arrived on earth. Once eye was alive apart from the law; but when the commandment came, sin sprang to life and eye died. Eye found that the very commandment that was intended to bring life actually brought death. For sin, seizing the opportunity afforded by the commandment, deceived me, and through the commandment put me to death. (Romans 7:9-11 NIV) this being of excellence quickly dwindled and faded away under the mandate of every human being, the law of sin and death. But when eye found Christ or was found by Christ rather, sin died and eye came to.

Coming from living as a slave to sin one would ask is it plausible to begin living as a slave to righteousness? With God all things are possible! Something eye applaud myself for is not sitting by passively and watching life happen to me and not doing anything about it. When a person is in the trenches of addiction they are very limited as to options for becoming free without God. eye got fed up with working of steps with a sponsor. Eye didn't have a lot of confidence in the sponsor-sponsee relationship. Eye figured God is here eye am here what hinders me from my freedom? Listening to people tell me " how this thing works" when eye am the disciple whom God loves. Because everyone is different. Eye decided to go to the throne of grace for myself. And what eye

discovered is; that it was indeed God's gift to me to become free from drugs. So much so that he had already made provision for me. When eye ended up in this place and needed help. When eye wasn't fit to live and wasn't ready to die. Eye went boldly to the throne of grace, for myself. What eye discovered was there were a lot of lies keeping me bound to drugs. What the enemy uses. Eye discovered that eye Was indeed powerless over them, in that they told the truth. "We were powerless over addiction and our lives had become unmanageable." (All of these things that kept me bound were lies of not having what it takes to become free (Low self-esteem) with threats of him (the enemy) throwing up in my face the things eye had done in addiction that were shameful. Even though a lot of the things eye did were long ago it was like the enemy had them on stand-by to throw them in my face. And while eye found it to be true that eye was powerless over addiction. Eye discovered the blood of Jesus and the broken body of Jesus were not powerless over it. When eye began to sup at the communion element table it was like the blood of Jesus had swept these enemies away and eye was renewed. Eye found what makes every believer successful in their endeavors. The communion elements and the holy spirit. This was me becoming aggressive with the rulers of darkness and effectively sending them away. This is what handled the crack smoker in my life.

16 Don't you know that when you offer yourselves to someone as obedient slaves, you are slaves of the one you obey—whether you are slaves to sin, which leads to death, or to obedience, which leads to righteousness? (Romans 6:16 NIV)

Given this, it makes sense to worship Yahweh because there is going to be something on the throne of our hearts. It's just how we were built, A whole in the middle where Christ would soon occupy . When life begins to happen you do not know this. You will become victimized, by the things you willingly welcomed in as the objects of your affections. Things get off balance. And an unjust weight occurs. This is where idolatry

comes from. These objects take the place that God wants to occupy. These Things don't deserve our worship, they are incompatible with our spirits. (the holy spirit) " Wherefore he saith, When he ascended up on high, he led captivity captive and gave gifts unto men." (Ephesians 4:8 KJV)
It Says that " No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord" (Isaiah 54:17 KJV) Thinking the victory that we obtained was a victory over the external and not the internal. And if eye have welcomed these things into my heart as the object of my affection it seems like it would take a more extensive work to get them off. Our troubles a lot of our troubles are of our own making, ignorantly allowing myself to compromise not knowing anything about a quality standard of living. Or just how powerful it is when eye take into myself a highly addictive substance such as drugs. Not just drugs but food, television, sex, and shopping. These are things that will of a certainty bring an unjust weight into our lives. And so our hearts begin to demand that these things do more than they are built to do, and we welcome them in to do. There is a problem. We ignorantly begin to take in more of all of the above trying to meet the demands that our hearts place upon us. We find that they cannot satisfy on the level that we need the thing that would be in the middle of our life satisfy. In essence, we are telling these things come on eye have welcomed you into the middle of my life. Surely you can do something serendipity, something sensational. But they fail miserably. Eye found that when he said to have no other God before Him it was for my own good. These things can throw us into a frenzy and drive us crazy. We have gotten these things in the middle of our lives without the know-how to get them off. Scripture says these things will have a boomerang-like effect and instead of us enjoying these things as extracurricular activities they will turn on us they will seize the opportunity to have us literally bowing before them. It says that when you welcome unsavory things into our worlds as their servants we will become enslaved to them. One would think seeing eye know they cannot meet the demands of my heart's desire eye would get rid of them. instead of getting rid of them, eye begin to take in more. It's because a habit has formed, we'd do it now even if we didn't want to do it. Eye want to go back and piggyback on what eye said earlier. How Christ ascended on high led captivity captive and left gifts to men and how the work that Christ did for us was external. How can it play a part in our emotions thoughts and feelings? God is so faithful. When he saved us he put us back in a state of excellence. And how he saw us in the beginning is how he sees us now being saved by faith in his son Jesus. No wait eye take that back; he sees us better than when in the beginning because today he sees us as his son Jesus. Someone may say yeah, that's fine and good but that doesn't change the fact that eye have done some things that eye cannot shake. Eye was once tormented by the things eye had done. When eye decided to give myself to the Lord 100 percent. When eye would confess the things eye did when the enemy began to remind me of those things eye owned them. Eye didn't deny it, eye confessed them and repented of doing them. These things began to disappear. You see eye was saved and had welcomed in my heart these things that were highly addictive. One would say " he knew better, no better for him" " he is getting what he deserves." eye am so glad God is God and not people. He had mercy upon me and put

me back together again from the place of having these other things in my heart had left me. A “mental patient.” peace came into my life, and the joy of my youth was restored. (the joy of salvation) eye am not my own anymore eye have been bought back. Eye got my miracle. Eye got another chance to live life. To God Be the glory, Tyler Mitchell
